The screenshot shows the eazypay ICICI Bank website. At the top, there is a navigation bar with the ICICI Bank logo, a search bar, and links for Home, About Us, FAQs, and Contact Us. Below the navigation bar, there is a breadcrumb trail: eazypay >. The main content area features a large orange header with the text "Search, View & Pay". Below this, there is a sub-header "Pay bills and invoices from any bank account or any card". A text box explains that eazypay lets you pay your bills conveniently, using various methods like Cash Deposit, Cheque Deposit, RTGS, NEFT, Net Banking or Cards. There are three buttons at the top of the search form: "Make Payment", "Transaction Status", and "Merchant Login". The search form itself has a "Search By" section with radio buttons for "Institution Name" and "Your Mobile Number", and a text input field for "Enter name of the Institution you wish to pay". Below the input field is a note: "e.g. School, College, Housing Society etc.". To the right of the search form, there is a woman holding a coffee cup with a speech bubble that says "Paying bills is as easy as making my coffee". At the bottom of the page, there are two buttons: "View By Category" and "Registration". Below these buttons are two dropdown menus: "Why eazypay" and "Simple Steps".
