AGREEMENT

Page-1 of 2

This agreement is entered on this 15th day of April of the year 2025
BETWEEN

BIO MEDICAL WASTE TREATMENT PLANT PVT. LTD. (BMW1), Village Pangoli, Defence Road, Tehsil & Distt. Pathankot-Punjab,

through their representative Dawood Ram Verma Sohail Gaoad Ram Verma
AND

MS. Drona Brinda Institute of Engg. & Tech.
Kotli, Pathankot.

Whereas Bio-Medical Waste Treatment Plant Pvt. Ltd. (hereinafter referred to as BMWT) has set up a unit for common facility for collection, transportation, treatment and disposal of Bio-medical waste generated by the Health Care Establishments, Hospitals, Nursing Homes, Blood Banks, OPD Clinics, Pathological Laboratories, Diagnostic Centers, Medical Stores, etc. (hereinafter called as generators).

Whereas BMWT offers to provide service to the generator on a user pay principle of collection, treatment and disposal of BMW at the rates approved by Indian Medical Association (IMA) and State Pollution Control Board mutually agreed along with other terms and conditions, with a security advance equivalent to the payment of 60 days.

Whereas BMWT undertakes the liability of Collection, Transportation, Treatment, and Disposal of BMW, the generator shall undertake to adhere to this contract of service by BMWT for a **minimum period of three years from the agreement date**. Both parties can terminate the agreement after giving a notice of two months to the other party after the expiry of this agreement period, which may be otherwise continued with the consent of both parties.

Whereas the generator is a Hospital OPD Clinic/ Pathological Laboratory/ Diagnostic Center and agrees to avail the services being provided by BMWT with terms and conditions as listed on succeeding paras.

RESPONSIBILITIES OF BMWT

1. BMWT shall meet all the rules and regulations stipulated by PCB and generator shall not be liable for any improper handling and management after collection of BMW from the HCF.
2. BMWT is liable for any violation of the Environment (Protection) Act 1986 and the relevant rules, after collection of BMW from the generator units as per the agreement terms and conditions.
3. In case BMWT vehicle fail to collect the BMW within the designated time due to any reason, the generator shall inform the BMWT office at Pathankot who will ensure to strictly collect the BMW within next 24 hrs. BMWT shall be solely responsible for the consequences, if any in this regard., BMWT shall bear all liabilities and penalties imposed by PCB, if any for delay or negligence in service.
4. Other complaints if any shall also be made to BMWT Pathankot by the generator, BMWT promise to attend to all such complaints within the shortest possible time.
5. BMWT shall collect the segregated bio-medical waste only from the identified common waste collection site in the premises of generator.
6. BMWT shall provide assistance to finalize the pickup location to the generator.
7. BMWT shall transport the segregated waste in closed container vehicle to its treatment plant.
8. If the generator desires the initial training about segregation of BMW in color coded bags and method of collection of BMW, shall be provided by BMWT at no extra cost.
9. BMWT shall schedule the timings for collecting the waste in consultation with the generator.
10. BMWT promises to keep high standard of pollution control and shall update its equipment/ facility as and when required.
11. BMWT will not be liable for Environment (Protection) Act 1986 or any similar regulations norms set up by PCB, Government bodies, in the event the generator violates any of the terms and conditions or violates any legal norm.
12. BMWT shall be responsible for appropriate treatment and shredding of disinfected waste at the centralized common bio-medical waste treatment facility as per Schedule -1 of the BMW (M&D) rules 1998 Amended 2016.
13. BMWT shall also undertake testing of treated waste to ensure safety to the environment.
14. BMWT shall be responsible for the ~~disposal~~ segregated waste into secured landfills or in recycling plants as applicable.

RESPONSIBILITIES OF THE GENERATOR

1. The generator shall segregate the waste at the point of generation in accordance with BMW (M&H) rules, 1998/Amended 2016, in compliance with the standard prescribed there under.
2. The generator shall collect the segregated BMW in non-chlorinated / compostable bags as stipulated by State Pollution Control Board (PCB) norms.
3. All consumables like bags, disinfectants etc. shall be procured by the generator at its extra cost. BMW I is committed to supply the same at reasonable rates.
4. The bags used for collecting solid materials, placenta, and amputated body parts etc. (required to be incinerated) shall be non-chlorinated compostable bags.
5. All the bags shall be sealed tightly by the generator and BMW I will collect the sealed bags only at a secured designated point in the premises of the generator.
6. The generator shall disinfect the sharps and mutilate them and hand them over in puncture proof container to BMW I.
7. The generator shall take all steps to ensure that the waste is handled without adverse effects to human health and environment.
8. The generator shall establish a common secured waste collection site within its premises for collection and final disposal to BMWT.
9. The generator shall furnish annual report regarding generation, collection, storage, transportation and disposal of Bio-medical waste in the prescribed format to State Pollution Control Board, every year before 31st March (1st Jan to 31st Dec.)
10. The generator shall maintain all the relevant records and report the accidents, if any, as prescribed under the rules.
11. The generator shall designate a NODAL OFFICER to interact with BMWT.
12. The collected waste material sent by the generator may be checked and suggestions may be given for improvement in segregation of bio medical waste.
13. The generator shall obtain authorization from the State Pollution Control Board, online website of the board with in one month www.ppeb.gov.in
14. The generator shall be solely responsible for the number of beds being declared to BMW I which must be same for which the authorization is proposed to be got from Pollution Control Board. The generator shall inform PCB and BMWT within 7 days about any such change in number of beds.
15. The generator shall dispose off bio-medical waste as per SCHEDULE-I under categories 1 to 4 through BMW I only.

TERMS OF MEMBERSHIP & PAYMENT

1. The generator shall pay a membership registration fee of Rs.1000/- (Rupees One Thousand only) which is one time and non-refundable + @ GST 18% extra.
2. Monthly charges to be paid to the operator shall be decided from time to time between the operator and the local chapter of IMA PPCB. Presently rate has been agreed at Rs. 500/- per bed per day for the present bed strength of 56 beds comes to amount of Rs. 500/- per month. (Five Thousand only) + @18% GST extra.
3. The generator shall pay the monthly charges for disposal by 15th of every month without fail. Payments that are not made by the 25th of every month shall be charged a late fee @ Rs.50.00 per day.
4. BMW I shall stop collecting BMW from generator if the payment is not made by 25th of the month.
5. Renewal of the services shall be subject to a charge of Rs.1000.00
6. All payments shall be made by local payable cheque online/neft/ Demand draft payable at Pathankot issued in favour of Bio Medical Waste Treatment Plant Pvt. Ltd. All outstation cheques should include outstation charges. All dishonored cheques shall be charged Rs.300/- extra in addition to the actual bank charges. No payment by cash shall be valid without receipt.
7. The service charges shall be increased 7% every year without any prior intimation from 1st of January every year as per PPCB order.
8. Any disputes arising out of this agreement shall be subject to the jurisdiction of Pathankot and Gurdaspur courts.
9. The GENERATOR is liable to pay the service tax/GST if it is applicable on Bio-Medical Waste Services.
