**Subject: Mandatory College ID card for Entry into Campus**

Dear Students,

This is to inform all students that several reminders have already been issued regarding the compulsory requirement of carrying and displaying the valid College ID Card for entering the campus.

Despite repeated reminders, some students have still not obtained/collected their ID cards. Therefore, as a final opportunity, all pending students are hereby instructed to complete the ID card requirement **on or before 09 October 2026**.

Please note that from 12 October 2026 onwards, no student will be permitted to enter the college campus without a valid College ID Card. No further requests, excuses, or extensions will be entertained in this regard.

Students who fail to comply within the given deadline will be personally responsible for the consequences arising from non-compliance and may be denied entry to the campus.

All students are therefore directed to treat this matter as strictly compulsory and urgent.
